**19" PROFESSIONAL FLIGHT CASES MADE TO ORDER IN A RANGE OF COLOURS AND FINISHES**

Flight Cases to house industry standard 19" rack mounted equipment made from Birch plywood faced with a phenolic GRP resin / high pressure laminate or lightweight Astraboard available in many colours. Featuring front and rear removable doors with zinc plated hardware which includes steel ball corners, butterfly catches and sprung handles in recessed dishes. Available Silk Screen Printed if required. Various accessories are available on request.

There are 3 types of 19" Rack Flightcases available from Dragon Cases. These are:

Standard.

Foam-Suspended.

Shock-Mounted.

# Standard 19" Rack Flightcases

Flight Cases to house industry standard 19" rack mounted equipment made from Birch plywood faced with a high pressure laminate or ultra light weight Astraboard available in many colours. Hardware includes steel ball corners, recessed catches and handles. Punched rack strip is fitted 20mm off the front and is also available at the rear for a small extra charge. Standard depth of body of case is 450mm

Cases of unit size 10 and over include 100mm swivel castors with blue resilex wheels. These are mounted on 18mm Birch ply wheelie boards and are available braked for a small extra cost. Castors can be fitted on unit sizes 8 and under for an extra cost of £45.00.

Top loading (Mixer Rack) cases can be supplied at an extra cost of £75.00.

Castors can be mounted on the rear of the case at an extra cost of £29.00 to cover the cost of extra handles.

Prices are based on our standard designs (drawings available on request) and do not include delivery and VAT.

Please contact the office on **01633 791590** for more details.
