# Rolling Flexi-Trunks

We supply rolling flight cases, usually from stock, in 4 standard sizes. Features include hinged lid, the option of partitions, which can slide in lengthways *or* widthways to suit, positioned at 30mm intervals. Silk screen printing of logos available if required.

Dragon Cases manufactures its range of rolling flight cases from 7mm black Astraboard, with aluminium extrusions and steel protective corners. Hardware includes 75mm recessed corner castors, recessed telescopic handle and padlocking butterfly catches.

<i>Internal Dimensions</i>	<i>Case</i>	<i>Width Partition</i>	<i>Length Partition</i>
FRFT1 - 550w x 220h x 350d	- 284.00	12.00	14.00
FRFT2 - 625w x 220h x 400d	- 295.00	12.50	14.50
FRFT3 - 625w x 295h x 400d	- 301.00	13.00	15.00
FRFT4 - 700w x 295h x 450d	- 315.00	13.50	15.50

Please contact the office on **01633 791590** for more details.

# Silk Screen-Printing

Our in-house screen printing facility can add your corporate logo to flight cases, poly cases + padded bags.

Each colour requires it's own screen and printing operation.

Screen/Origination charge per colour - 65.00 (1 off payment)

## 1 POSITION PRINTING PER COLOUR

<b>Qty:</b>	<b>1-25</b>	<b>26-99</b>	<b>100+</b>
	min. charge		
	50.00 total	2.00ea	1.80ea

The above prices are for single colour only. If 2 or 3 colours are required, multiply prices accordingly.

These prices only apply to ink colours that are held in stock. Matching Pantone colours will incur an extra cost of £40 per colour.

The appropriate "camera ready" artwork must be supplied preferably in vector /.eps format.

Images must be separated when multi-coloured logos are required. Failing this, extra charges will be applied.

It is not possible to print graduated colours (colours that fade from one to another)

Prices do not include Vat.
